Description

This Special Issue will be based on the Minisymposium on Approximation Theory, being a part of the International Conference on Mathematics (<http://www.icomath.com>) that will be held in Istanbul, Turkey, July 3-6, 2018. The authors are requested to submit their full revised version of papers. The submitted papers will undergo peer review process before they can be accepted. The deadline for submission is August 15, 2018. Notification of acceptance will be communicated as we progress with the review process.

How to Submit

Before submission authors should carefully read the Instructions for Authors, available online at: <http://www.ilirias.com/jma/authors.html> All submissions to the Special Issue must be made to journal via journalma@gmail.com and will undergo the standard single-blind peer review system. When emailing your submission to journal, please write the subject as Special Issue based on ICOM18.
